### A Troon Golf Course

"Whichever course one chooses or prefers, it was our desire to portray golf in a traditional sense, which quietly merges with its tranquil desert surroundings... Talking Stick's North Course, with its broad, angular holes rewards thoughtful play through the rise of its many options according to one's level of skill. Its low-profile, slightly crowned greens and close-cropped approaches encourage running as well as aerial assaults. The South Course, with its tree-lined fairways and raised greens defended at the sides offers a more straightforward style of play." **Ben Crenshaw & Bill Coore**
