

# **PATRIOTISM PARTNER PROGRAM**

**NATIONAL GUARD ASSOCIATION OF ARIZONA  
5640 East McDowell Road, Phoenix, Arizona 85008**

*Serving the Citizens of Arizona and the United States of America*

***ALWAYS READY, ALWAYS THERE!***

Dear Prospective Patriotism Partner and Fellow American,

**We want you...**to be part of our National Guard Association of Arizona team supporting over 7,800 Outstanding Soldiers and Airmen of your Arizona National Guard! Our private association is dedicated to working for the betterment of Arizona's National Guard Citizen-Soldiers and Airmen through legislative action and community engagement. We work directly with the Governor of the great State of Arizona, the State Legislature, and the United States Congress to ensure that all members in the Arizona National Guard receive the resources needed when called upon to defend the United States while maintaining the ability to respond to local and state emergencies.

**In their military role**, Arizona Guardsmen and Women have deployed to support the Global War on Terrorism, helped stand up and facilitated initial COVID vaccination centers, delivered food to stock grocery stores during the pandemic when commercial means were not available, supported relief efforts in the aftermath of Hurricane's Katrina and Sandy, participated in Operation Jump Start and Southwest Border Operations, and also help local and federal authorities with Joint Counter Narcotics operations. Today, there are hundreds of Arizona National Guardsmen serving in many places around the world. Locally, they assist our own communities following floods and wildfires and work tirelessly behind the scenes ensuring safety and security during high profile events such as the Super Bowl, the NCAA Final Four, and the College Football National Championship. When you join us as a Patriotism Partner, you will be integral to maintaining Arizona National Guard military readiness through equipment modernization and increased readiness training. With your help, the Arizona National Guard will continue to stand ready to protect our freedom and security.

**In their civilian role**, we know Arizona Guardsmen and Women as principals, doctors and nurses, police officers, firefighters, investment brokers, welders, plumbers, priests, painters, business owners...just to name a few. Each one lives, contributes, and also retires in our community. When you join us as a Patriotism Partner, you are investing in our community's future. You will be supporting Arizonan military families through a dedicated scholarship fund, providing financial assistance to military families in need during deployments, and increase our ability to fight for family and veterans' healthcare benefits. Your community network will build for years to come.

**Freedom isn't free!** Please join our association supporting Arizona's Citizen-Soldiers and Citizen-Airmen in the National Guard! The enclosure provides a detailed description of program entitlements and benefits for your review and favorable consideration to be a Patriotism Partner of the National Guard Association of Arizona. The Association will always strive to 'do more with less' in its efforts to fight for benefits for the Guard members and their families and ensure your Guard is properly treated and resourced.

I look forward to having you as a **Patriotism Partner!**

Paul Aguirre Executive Director, NGA AZ
